6. Special Protection Information:

Respiratory Protection:

For dusty conditions, particulate filtering disposable mask is adequate.

Ventilation:

None

Protective Gloves:

Required

Eye Protection:

Safety glasses are required

Other protective equipment:

Not required.

7. Special Precautions:

Precautions to be taken in handling and storing:

When removing Dead Sea Magnesium chloride from its packing, the product at first appears dry. Due to its hygroscopic nature, it readily takes on atmospheric moisture and softens rapidly. The bagged material should be kept closed in a dry atmosphere. When stored under suitable conditions, Dead Sea Magnesium Chloride will keep for an almost unlimited period.

8. Toxicological Data:

If handled according to instructions, no danger to humans.

9. Ecological Data:

Not available
